PARIS BUDGET. City Government in New Quarters-Pro-

tracted Meetlog-It Didn't Work. Panis, Tex, Feb. 27 .- At their regular meeting the city council received the new

city building, constructed at a cost of \$3000. The building is constructed of brick two stories high and provides quarters for the

fire department, stalls for the city and fire teams, city prison, storage-room for feed for teams, city assessor and collector's office with a fire-proof vault, mayor's office, recorder's office, council chamber and city en-

gineer and marshal's office. It is one of the most conveniently arranged public build-ings in the state. No city in the state has better-quarters for its fire department than Paris, and it is not a paid department, either.
